

The Big 5 Green Stand Seminars

Saeed Hall, D51, World Trade Centre, Dubai, UAE
22 - 25 November 2010

Time	Monday 22 nd November 2010	Tuesday 23 rd November 2010	Wednesday 24 th November 2010	Thursday 25 th November 2010
12:00	<p style="text-align: center;">Gaia Gold Winner</p> <p>A Natural Approach To Air Conditioning</p> <ul style="list-style-type: none"> • How Gaia Gold Medal Winner, Climate Wizard, was invented • How indirect evaporative cooling works • Case studies of Climate Wizard delivering energy savings <p>Peter McBratney, our General Manager, Climate Wizard, Seeley International, Australia</p>	<p>The Role Of Precast Aerated Concrete (PAC) In Building Green</p> <ul style="list-style-type: none"> • Assessing the advantages in terms of weight, energy and sound and fire proofing • Examples of using PAC in creating green buildings • Faster construction <p>Michael Hofmann, Business Development Manager, BENA</p>	<p>Assessing The Use Of Cork As A Green Construction Material</p> <ul style="list-style-type: none"> • Overview of cork and its production • Sustainable qualities of cork for construction purposes • Practical examples of the use of cork on construction projects <p>Carlos Manuel, Portuguese Cork Association (APCOR), Portugal</p>	<p>The Role Of Precast Aerated Concrete (PAC) In Building Green</p> <ul style="list-style-type: none"> • Assessing the advantages in terms of weight, energy and sound and fire proofing • Examples of using PAC in creating green buildings • Faster construction <p>Michael Hofmann, Business Development Manager, BENA</p>
13:00	<p style="text-align: center;">Gaia Silver Winner</p> <p>Creating A No Smell Zone For Toilets: Hidrovent At Work</p> <ul style="list-style-type: none"> • Benefits of using Hidrovent for greener building and greater sustainability • Concealed cistern installation • Exposed cistern installation <p>Jean Bellumat, Managing Director, Globcom General Trading, UAE</p> <p>Fadi Sayegh, Sales & Marketing Manager, Globcom General Trading, UAE</p>	<p>Cost Effective And More Reliable Alternative To MBR</p> <p>Adil Salim, Engineer - Proposals and Marketing, Global Engineering Systems</p> <p>Energy Conservation As A Means For Bottom Line Improvement</p> <p>Rahul Acharya, Engineer - Green Technologies, Global Engineering Systems</p>	<p>Ensuring Energy Efficiency In Your Building</p> <ul style="list-style-type: none"> • The importance of energy efficiency in your facility • Structuring an effective efficiency retrofit • Financing solutions for retrofit projects • Case studies of energy efficiency projects <p>Marwan Chaar, Director, FuGu Energy, UAE</p>	<p>The Grass is Greener on Kempinski's Site</p> <ul style="list-style-type: none"> • How Kempinski Hotel became an ecological hotel • Which retrofitting technologies were applied • Why it is crucial to mobilize the entire staff in order to operate a green building <p>Till Stoll, CEO, Green Destinations, UAE & Swiss Business Council (Dubai)</p>

Time	Monday 22 nd November 2010	Tuesday 23 rd November 2010	Wednesday 24 th November 2010	Thursday 25 th November 2010
14:00	<p>Assessing The Use Of Cork As A Green Construction Material</p> <ul style="list-style-type: none"> • Overview of cork and its production • Sustainable qualities of cork for construction purposes • Practical examples of the use of cork on construction projects <p>Carlos Manuel, Portuguese Cork Association (APCOR), Portugal</p>	<p style="text-align: center;">Gaia Silver Winner</p> <p>Creating A No Smell Zone For Toilets: Hidrovent At Work</p> <ul style="list-style-type: none"> • Benefits of using Hidrovent for greener building and greater sustainability • Concealed cistern installation • Exposed cistern installation <p>Jean Bellumat, Managing Director, Globcom General Trading, UAE Fadi Sayegh, Sales & Marketing Manager, Globcom General Trading, UAE</p>	<p>Maximum Comfort At Minimum Energy: Benefits Of Thermal Insulation buildings In Hot Climate Countries</p> <ul style="list-style-type: none"> • Background: passive house experience • Minimizing space conditioning loads in hot countries • Examples for possible solutions <p>Dr. Jürgen Schnieders, Physicist/ Senior Consultant, Passivhaus Institute, Germany</p>	<p>Water And Waste Water Treatments For A Better Environment</p> <ul style="list-style-type: none"> • The relevance of 'water' as an international concern • Water-supply and wastewater treatments • The Voraxial concept <p>Omar Appolloni, IR Officer PMC Ltd, Italy</p>
15:00	<p>Ensuring Energy Efficiency In Your Building</p> <ul style="list-style-type: none"> • The importance of energy efficiency in your facility • Structuring an effective efficiency retrofit • Financing solutions for retrofit projects • Case studies of energy efficiency projects <p>Marwan Chaar, Director, FuGu Energy, UAE</p>	<p>3 Case Studies On Retrofitted Buildings: Challenges And Benefits</p> <ul style="list-style-type: none"> • Archcorp office, Dubai National Insurance Building - Dubai • Sharaf office building renovation - Dubai • Residential building renovation - Abu Dhabi <p>Mujib Ur Rehman, Lead Architect, Archcorp, UAE</p>	<p>The Grass is Greener on Kempinski's Site</p> <ul style="list-style-type: none"> • How Kempinski Hotel became an ecological hotel • Which retrofitting technologies were applied • Why it is crucial to mobilize the entire staff in order to operate a green building <p>Till Stoll, CEO, Green Destinations, UAE& Swiss Business Council (Dubai)</p>	<p>3 Case Studies On Retrofitted Buildings: Challenges And Benefits</p> <ul style="list-style-type: none"> • Archcorp office, Dubai National Insurance Building - Dubai • Sharaf office building renovation - Dubai • Residential building renovation - Abu Dhabi <p>Mujib Ur Rehman, Lead Architect, Archcorp, UAE</p>
16:00	<p style="text-align: center;">Gaia Silver Winner</p> <p>Pre-painted Solid Aluminium For Green Sustainable Architecture</p> <ul style="list-style-type: none"> • Design - Architecture with innovative pre-painted aluminium • Safety - Design aspects of facades of internal claddings • Decarbonising - Masdar: from vision to Implementation <p>Wulf Binder, Product Group Manager Architecture, Novelis, Germany</p>	<p>Maximum Comfort At Minimum Energy: Benefits Of Thermal Insulation buildings In Hot Climate Countries</p> <ul style="list-style-type: none"> • Background: passive house experience • Minimizing space conditioning loads in hot countries • Examples for possible solutions <p>Dr. Jürgen Schnieders, Physicist/ Senior Consultant, Passivhaus Institute, Germany</p>	<p style="text-align: center;">Gaia Gold Winner</p> <p>A Natural Approach To Air Conditioning</p> <ul style="list-style-type: none"> • How Gaia Gold Medal Winner, Climate Wizard, was invented • How indirect evaporative cooling works • Case studies of Climate Wizard delivering energy savings <p>Frank Seeley, Chairman, Seeley International, Australia</p>	<p style="text-align: center;">Gaia Silver Winner</p> <p>Pre-painted Solid Aluminium For Green Sustainable Architecture</p> <ul style="list-style-type: none"> • Design - Architecture with innovative pre-painted aluminium • Safety - Design aspects of facades of internal claddings • Decarbonising - Masdar: from vision to Implementation <p>Wulf Binder, Product Group Manager Architecture, Novelis, Germany</p>
